

Dr Mary Roche (St. Patrick's College, Thurles) has made a list of some books that your toddler might enjoy. There are many other books available so have a look in the toddler section of your local library.

Younger toddlers will also like many of the books on the baby booklist and older toddlers will enjoy some of the books on the list for young children. A tip sheet on sharing books with your toddler is also available. All of these can be found in the Aistear Toolkit at www.ncca.ie/aistear toolkit
